

DUAL ACTION PALM SANDER

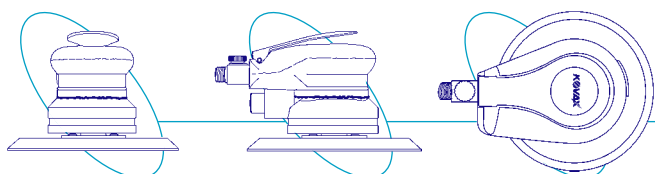

KOVAX Model KD-0102 has everything you're looking for in a high performance Dual-Action Sander.

Its multiple bearing design produces a **powerful sanding action**, yet so **well-balanced** and quiet that it is **almost vibration free**. Lightweight at a mere **1.98 lbs.**, plus its small size will fit right in your palm that makes handling a real pleasure. From surface preparation to top coat finishing, this precision-built Dual Action sander can work on all kinds of surfaces with ease. Available in both standard or Dust-Free Vacuum models.

- **Top Quality**
- **Well-Balanced**
- **Extremely Low Vibration**
- **Powerful**
- **Lightweight**
- **Easy Handling**
