

BRISTLE BRUSHES

High quality yet economical, these white bristle brushes provide the best value and performance for various coating application needs.

Made with 100% premium natural white hog bristle, epoxy setting on plain wood handles and plated steel ferrule, these all-purpose brushes can be used for all kinds of coating application such as paint, resin, etc. Brushes can be washed and reused several times, but are inexpensive enough for a single use. Available in 8 sizes from 1/2" to 4" wide of various thickness and individually packaged in clear poly bags.

Part No.	Size		Pieces Per Box	Boxes Per Case
