

# Polex™ Super Polishing System

## The 2 in 1 Simple Solution for All Your Polishing Needs.

*Polex, a unique combination of high tech abrasives and polishing additives removes paint imperfections and sand scratches without swirl or buffer marks. By just simply switching pads, Polex will remove P1200 scratches as well as finish to a highly lustrous shine. Simply... Polex is... POLish EXcellence!!*

- **Compound and Polish, 2 Products in 1.** Polex is multi-functional, simplifying the choice of compound and polish by being both and eliminating the need for the variety of products a body shop may stock for their refinishing operations.
- **Just Switch Pads, Not Compounds.** Total showroom gloss by only replacing pads in different stages of the refinishing process.
- **Fast Cut, No Swirls, Excellent Shine.** Polex exceptional formula incorporates high tech abrasives and special components that result in a fast but smooth performance and in an impeccable appearance.
- **Contains No Wax or Silicone.** Highly resistant to outdoor conditions, protects the paint and lasts longer.
- **For All Paint Surfaces.** Including dark and glamour colors.

### POLISHING PADS

- YELLOW / WOOL CUTTING PADS**  
Use the Wool or the Yellow Foam Compounding Pad for removing scratches of P1200 and finer.
- ORANGE LIGHT CUTTING PAD**  
This Orange Curved Edge Foam pad is excellent for removing scratches of P1500 and finer.
- BLUE / WHITE POLISHING PADS**  
Utilizing the Blue Foam Polishing Pad or the Curved Edge White Foam Pad you can achieve a very Light Cutting to a Polished Shine.
- GRAY FINISHING PAD**  
For final touch on dark and metallic colors to a Maximum Gloss.
- MICRO FINISHING DETAILING CLOTH**  
Lint free, scratch free, perfect for the preparation of that showroom finish.
