

# Touch-Up Starter Kit

*Everything You Need  
For a Fast & Efficient  
Touch-Up Finishing!*

**Improve your finishing jobs with the choice of a full range and styles of superfine grade mini discs and the Dual-Side finger pad.**

This is the perfect system for touching up all those imperfections during the final process of your finishing jobs. You will be able to sand and buff at the same time thanks to our very versatile Eagle Dual-Side Touch-up Sanding Pad. The 971-0023 Dual-Side Pad features a PSA surface for sanding and blocking and **SUPER-TACK** on the other side for buffing and polishing. Bottom line, the Best Finish, the Convenience and Time Saving which all lead to increased productivity and profit !
