

Eagle High Performance PF Premium Series

The perfect sanding medium that will lead you towards a high efficiency operation. Leap into the future with PF Premium Series.

Eagle High Performance PF Premium Series Abrasives utilize a special flexible bonding technology to effectively minimize deep scratches, increase cutting power and deliver the best finish in much less time. These high performance abrasives are available in both Super-Tack and Stickon to satisfy the most demanding job requirements.

FEATURES:

- **DURABILITY:** Special treated coating keeps clogging to the minimum and provides cooler sanding, resulting in longer paper life.
- **SPEED:** Premium abrasive minerals provide faster cutting speed for increased productivity.
- **FINISH:** Flexible bonding minimizes deep scratches and provides a consistent and uniform finish.
- **VERSATILITY:** Available in both **SUPER-TACK** and **STICKON** backing.

High performance, all resin bonded PF Premium Series Abrasive Paper cuts faster, stays tougher, and finishes smoother everytime! It will significantly help to improve and increase your productivity and bottom line !
